

STERLING 

**“Live” Online Internet
Auction**

Back Vintage Wine

**Closing Date For Auction Bidding
5:00 pm 8th September 2010**

Go to www.sterlingwine.com.au to bid “live” online or to see the
level of current winning bids. If you do not wish to bid online
Please Fax or Email Your Absent Bids

IMPORTANT NOTES

EX-CELLAR There MAY be delays in wines noted as “Ex-cellar” being available for dispatch or collection. Wines that are held by wine storage companies or controlled by legal representatives can take up to two weeks from the date of the auction close to be available for collection and dispatch. Many Sterling Wine Auction vendors use professional wine storage and inventory management systems which involve delays. Only the sold wine travels from the storage location to the Sterling cellar. On occasion wines catalogued are subject to legal control and are released when the sales records are processed for release. Any wine catalogued for Sterling Wine Auction as “Ex-cellar” is guaranteed to be delivered as described in the catalogue.

GST. Where the vendor is registered, a Goods & Services Tax (GST) of 10% will be included in the hammerfall of items sold. For all items, GST will be included in the Buyers Premium. Items for which GST applies to the hammerfall will be identified in the catalogue with the symbol *

ULLAGE OR WINE LEVEL If the wine is not in the neck of the bottle (or at the original fill level) there is an increased risk of the contents being spoiled. The following descriptions are numbered in order of severity:

- | | |
|----------------------|-----------------|
| 1 Very High Shoulder | 2 High Shoulder |
| 3 Mid High Shoulder | 4 Mid Shoulder |
| 5 Low Mid Shoulder | 6 Low Shoulder |

CONDITION OF STOCK ON OFFER Sterling Auctioneers will not knowingly sell spoilt stock. The cellars of major vendors are usually inspected to ensure cellaring conditions were suitable.

BIDDING PER BOTTLE Please note all lots are being offered on a **Per Bottle Basis**. Some boxed sets are offered as a single item. On the rare occasion this occurs the price estimate reflects this fact. (Please note: Bids are per bottle multiplied by all bottles in a lot. Lots can not be split)

PRICE ESTIMATES Every catalogued lot carries a price estimate range. This range aims to accurately "estimate" the value of a lot. The estimate does not reflect the reserve price. Many estimated lots are unreserved.

ABSENT BIDDING All absent bids for this auction must be submitted in writing, on the absent bidding form provided with all details completed. Written bids must be received in the Sterling office by **1:00pm Wednesday, 8th September 2010**. Your silent bid should reflect how high you are prepared to bid. We act on your behalf to buy as cheaply for you as possible. If you bid silent \$20 on a lot and the last silent bid is \$10 you will secure the lot at the next bid, which would be \$11.

Successful bidders will be notified by email on or before Friday, 10th September 2010.

BUYERS PREMIUM A buyers premium of 15% (GST Incl) applies to all lots sold in this sale.

COLLECTION Successful bidders can collect stock from **12:00 noon, Monday 13th September 2010**. All stock must be collected/delivered and **paid for by Friday 17th September 2010** or a **2% levy may apply**.

CONDITIONS OF SALE The Sterling Conditions of Sale are listed on our website. www.sterlingwine.com.au

This estate's most renowned offering is their old vine Shiraz (90+ year old vines) called The Dead Arm. The unfinned/unfiltered 1999 The Dead Arm Shiraz (2,000 cases) was aged in 100% new oak, of which 70% was American and 30% French. It is about as natural and unmanipulated a product of the vineyard as one can find. Full-bodied and awesomely rich, notes of black pepper, licorice, and blackberry as well as cherry liqueur cascade over the palate with enormous concentration and intensity, high tannin, and a structured, muscular style. Give it 3-4 years of cellaring, and consume it over the following 2-3 decades. It is a timeless museum piece made in a style that can only be produced in Barossa or McLaren Vale.

The 1997 Shiraz Reserve conceals its nearly 15% alcohol behind a cascade of incredibly rich, concentrated fruit. This wine sees only new American oak. It boasts an opaque black/purple color in addition to knock-out aromas of melted asphalt, blackberries, truffles, and licorice. Cherry jam notes also emerge in the flavors. Unctuously-textured, incredibly ripe, pure, and full-bodied, this wine would make even Australia's Grange look wimpish if tasted side by side. Anticipated maturity: 2003-2025. Celestial black currants intermixed with coffee, licorice, Asian spices, and pain grille notes are more reminiscent of a blockbuster vintage of Mouton-Rothschild than what I would expect from a Shiraz/Cabernets blend.

The prodigious 1999 Shiraz Hill of Grace is a magnificent Eden Valley Shiraz, fashioned from vineyard blocks ranging between 52-144 years of age. Its inky/ruby/plum/purple color is followed by a fragrant perfume of black fruits intermixed with underbrush, dried herbs, vanilla, and spring flowers. Full-bodied, magnificently concentrated, pure, and delineated, this gorgeous, still young, compelling Shiraz is another example of a vintage that more and more appears to be underrated. It should hit its prime in 2-4 years, and last 15-20.

667	1 bottle	per bottle 100-120	

The 2005 Shiraz "Johann Georg" raises the stakes to a new level. It is sourced from vines planted in 1875 and yielding a tiny 1.5 tons per acre. It spent 2 years in American and French hogsheads, two-thirds new. It is more complex aromatically with a splendid bouquet of toast, smoke, creosote, violets, black cherry, and blackberry. Full-bodied, big and rich, but still relatively unyielding, it has remarkable concentration, purity, and length. It needs 6-8 years of further bottle age to begin revealing its full potential and will drink well through 2035 if not longer. Troy Kalleske is owner/winemaker of his namesake winery. The family owns 400 acres, 200 cultivated, in the acclaimed Greenock region of Barossa where conditions are extreme and the vines are stressed. Much of their holdings are in older vines.

-----	----------	--------------------

The 1997 Shiraz Reserve comes close to resembling a dry vintage port. One of the most concentrated wines I have ever tasted (reminiscent of the Clarendon Hills Astralis), yields were not low at 3.5 tons per acre, but the 35-year old vine age and sur-maturite of this wine have resulted in something special. It boasts an opaque black/purple color, followed by a sumptuous nose of licorice, Asian spices, tar, and concentrated blackberry fruit. Thick in the mouth, with remarkably full body and surprising balance, the alcohol (15.8%), tannin, and acidity are lost in the cascades of fruit. Anticipated maturity: 2003-2025. A name to watch for is Drew Noon, who has taken over his father's winery, and apparently hit the bull's eye with everything I tasted in 1997. Noon's wines taste like the essence of their respective varietals, pushing concentration and extract to the limit, although I did not sense that they were over the top. These are wines of extraordinary depth and richness, with amazing upside potential in the bottle. Importer: Dan Phillips, The Grateful Palate, Oxnard, CA; tel. (888) 472-5283.

Noon Winery Reserve 1999*Shiraz McLaren Vale RP96*

940	1 bottle	per bottle 70-95
-----	----------	------------------

The hugely extracted, massive 1999 Shiraz Reserve tips the scales at 15.2% alcohol. From Shiraz vines that average 35-40 years of age, it was aged in a combination of small and large oak barrels as well as puncheons. There are 580 cases of this behemoth. An opaque blue/purple color and a knockout nose of blackberry liqueur intermixed with spice box, pepper, asphalt, and licorice soar from the glass. Opulent and viscous, with tremendous palate presence, beautifully integrated acidity, tannin, and alcohol, this superb, larger-than-life wine is a tour de force for a lighter weight vintage such as 1999. Anticipated maturity: 2003-2020.P.S. Life is too short not to be drinking the wines of Drew Noon.

Current Release Cost www.erobertparker.com **April 2009 \$US100-125***Wine Advocate #135 June 2001***Noon Winery Reserve 2000***Shiraz McLaren Vale RP96*

941	1 bottle	per bottle 55-65
-----	----------	------------------

The blockbuster 2000 Shiraz Reserve was aged in small barriques, foudres, and demi-muids. It boasts an inky black color as well as a fabulous bouquet of acacia flowers intermixed with blackberry and cassis liqueur, creosote, and camphor. Exceptionally long and layered, this opulent, voluptuous, pure Shiraz is a thrill to drink. The tannin, acidity, and alcohol (14.9%) are seamlessly integrated in this modern-day classic. Anticipated maturity: 2004-2020. This is one of the great wines of South Australia! During my trip to South Australia I visited with owners Andrew and Rae Noon. They are part of the young, open-minded generation (Rea's father also made wine) that is guided by one goal ... to produce the most uncompromising product possible. In 2000, there are 750 cases of the Eclipse, 260 of the Cabernet Sauvignon Reserve, and 350 of the Shiraz Reserve, all three staggeringly great efforts from a vintage that, on paper, should not have produced wines this prodigious. Interestingly, I had a chance to taste the Noon offerings opened in my presence against bottles opened twenty-four and seventy-two hours earlier. Remarkably, there was not much difference. Even from bottles that had been opened for three days, the wines were still exhibiting incredible amounts of fruit as well as concentration. This always indicates the potential for longevity.

Current Release Cost www.erobertparker.com **April 2009 \$US90-103***Wine Advocate #143 October 2002*

Noon Winery Reserve 2002
Shiraz Langhorne Creek RP99
 942 1 bottle per bottle 75-100

Flirting with perfection, the blue/purple-colored 2002 Shiraz Reserve is a 300-case cuvee produced from 40-year-old vines that was aged in a combination of small and large oak. Along with a texture reminiscent of motor oil, this full-bodied, remarkably intense Shiraz possesses great purity and richness as well as a broad palate. As concentrated as Shiraz can get, it is also impeccably well-balanced, elegant, and bursting with personality/soul. It is the kind of wine that is hard to duplicate anywhere else in the world. It is good to see certain winemakers refuse to put the brakes on when producing something of this ilk. Anticipated maturity: 2006-2016+.

Robert Parkers Wine Advocate #155 Oct 2004

Noon Winery Reserve 2003
Shiraz Langhorne Creek RP99
 943 1 bottle per bottle 75-120

Not surprisingly, the 2003 Shiraz Reserve possesses off-the-charts richness as well as an intoxicatingly complex, multidimensional bouquet of smoke, licorice, blackberries, cassis, vanilla, and incense. A huge, sweet, rich, concentrated attack becomes even more impressive with laser-like precision to its full-bodied, super-concentrated style. Boasting good acidity, ripe tannin, and a layered mouthfeel, this stunning Shiraz is the finest I have ever tasted from the Langhorne Creek sector of South Australia. It should drink well for two decades.

The 2004 Cabernet Sauvignon/Shiraz Bin 60A Kalimna is a blend of Coonawarra Cabernet Sauvignon (56%) and Barossa Shiraz (44%). Its blackberry, blueberry, tar, lead pencil shavings, licorice, and spice box-scented bouquet is followed by a wine boasting an unctuous texture buttressed by decent acidity as well as fabulous extract and richness. This stunning blend should have a minimum of three decades of aging potential and be a true collector's item for many years to come.

The 1998 Grange will be legendary. A blend of 97% Shiraz and 3% Cabernet Sauvignon, it tips the scales at a whopping 14.5% alcohol. The inky/purple color is followed by an extraordinarily intense nose of creme de cassis intermixed with blueberry and floral notes. As the wine sits in the glass, aromas of meat, plums, and cola also emerge. It is a seamless effort with sweet tannin, well-integrated acidity, sensational extract, and layer upon layer of blackberry and cassis fruit that stain the palate and fill the mouth. Its harmony, freshness, and remarkable length (the finish lasts nearly a minute) suggest an all-time classic. Anticipated maturity: 2006-2030.

It is always a treat to taste Australia's most famous wine, Penfolds' Grange cuvee (the word Hermitage has been dropped because of legal issues). The 2001 Grange is one of the few vintages of this cuvee to be composed of 100% Shiraz (the others being 1951, 1952, 1963, 1999, and 2000). Aged 17 months in 100% American oak, and tipping the scales at 14.5% alcohol, the 2001 is undeniably one of the top examples of this wine. At this stage, it appears to eclipse the 1998 and 1996. Inky/blue/purple to the rim, with a stunning perfume of blueberries, blackberries, chocolate, graphite, and earth, it boasts good acidity, huge tannins, magnificent concentration, and a multilayered, textured mouthfeel. It is a big, but impeccably well-balanced Shiraz that should shed some of its structure and tannin over the next 4-5 years, and be at its best between 2010-2030+.

Last but not least is Australia's most famous wine, the 2002 Shiraz "Grange". The 2002 version was sourced from 77.5% Barossa Valley and 22.5% from McLaren Vale. Included in the blend is 1.5% Cabernet Sauvignon. It spent 17 months in 100% new American oak. Opaque purple, it gives off an ethereal bouquet of violets, saddle leather, blueberry, blackberry, pencil lead, and chocolate. This is followed by a full-bodied wine with tremendous concentration, multiple layers of flavor, ripe tannins, and great balance. Thick and rich, with a 60-second finish, it will slowly blossom over the next 15-20 years and provide pleasure through 2050. It is a legend in the making! Penfolds, arguably Australia's most famous winery, continues to perform at a high level under the leadership of Head Winemaker, Peter Gago.

The 2004 vintage was outstanding in Barossa, McLaren Vale, and Magill, the regions where the grapes were sourced for the marvelous 2004 Grange. It contains 4% Cabernet Sauvignon and was aged for 16 months in 100% new American oak hogsheads. A glass-coating opaque purple color, it displays a superb nose of wood smoke, Asian spices, incense, game, blueberry, and blackberry liqueur. Medium to full-bodied, satin textured, with deeply layered, succulent blackberry, plum, and chocolate flavors, it has the structure and complexity to merit extended cellaring of a decade and more. The winery estimates a drinking curve of 2016 to 2050; I'd be a bit more conservative on the long end of the range. It will ultimately be seen as one of the great vintages of Grange.

Consistently one of the most awesome wines ever made at Grange, this blend of 89% Shiraz and 11% Cabernet Sauvignon (13.9% alcohol) was the first Australian wine to cost \$20 upon release. I have had this wine six separate times, every time rating it between 96 and 100. It had a phenomenal showing at Penfolds' Magill estate. The color is an opaque purple, the wine massive, full-bodied, and to me, the quintessential Grange. Notes of blackberry liqueur intermixed with cassis, charcoal, new saddle leather, and underbrush resonate from the glass. Huge, thick, unctuously textured, with extraordinary concentration but perfect harmony among all of its elements, this is a prodigious Grange that is still not fully mature. Anticipated maturity: 2004-2020. A legend for sure!

A current as well as future legend, this has long been considered by Penfolds' winemaking team as the greatest Grange of the 1980s. And why not? A blend of 87% Shiraz and 13% Cabernet Sauvignon, it tips the scales at nearly 14% alcohol. I have been fortunate to have this wine nearly a dozen times, and I have consistently rated it 96-100. It was virtually perfect in June, exhibiting an opaque purple color and a provocative nose of creme de cassis intermixed with smoke, chocolate, licorice, new saddle leather, and pepper. The wine is fleshy, massively concentrated, multi-dimensional with extraordinary power, beautifully integrated acidity, tannin, and alcohol, that seems to only occur in the greatest vintages. Moreover, the wine is still a baby and ideally in need of another 3-5 years of cellaring. This is a Grange to kill for. Anticipated maturity: 2005-2030.

CHAMPAGNE

Vintage Champagne, Beware The agony and the ecstasy!

All old champagne is unreliable, no matter how well it has been cellared. Gas can leak reducing or removing the bubbles. Old champagne develops some flavour characters quite different from the newly released product. Buying any champagne from auction is a risk, but the rewards can be remarkable. To avoid disappointment keep the bidding within safe limits. You may throw it away or it may be the best wine of your life

**Krug Clos de Mesnil 1996***Blanc De Blanc Champagne RP99*

1884* 1 Magnum In wooden box Ex-cellar per bottle 3500-4500

Hard as it may seem to believe, the 1996 Krug Clos du Mesnil is even better than the 1996 Krug Vintage. Still painfully young, the wine reveals incredible detail in a vivid expression of white peaches, flowers and minerals. While the Vintage is exuberant and expressive, the Clos du Mesnil is all about subtlety, finesse and an incredibly understated, feminine style of Champagne. This is surely one of the most profound wines that have ever passed my lips, and my only hope is that I will have an opportunity to taste it again at some point in the future. For now, the 1996 Clos du Mesnil remains a reference-point wine of the very highest level.

1889 1 bottle in presentation case per bottle 400-600

The profoundly rich 1990 Dom Perignon is a creamy-textured, full styled offering that loses none of its elegance in spite of its flavor authority. It will improve for 5-10 years, and appears capable of surpassing the fabulous 1985 and 1982. It seems obvious that the quality of the 1990 Champagne vintage is going to be remarkable, and the world-wide demand will be unprecedented. The message - buy them now!

Chapoutier Ermitage Le Pavillon 2005*Hermitage RP98+*

1938*	1 bottle Ex-cellar	per bottle 650-750
1939*	1 bottle Ex-cellar	

The biggest production cuvee, the 2005 Ermitage Le Pavillon (1,067 cases in this vintage) has a dense purple color, the classic acacia flower, graphite-based, smoky creme de cassis nose with a tremendous intensity and a full-bodied power and richness that is awesome. These are monumental wines, and when you think that this wine, much like most of its siblings, is made from yields of 12-18 hectoliters per hectare, the explanation for its concentration and extraordinary expression of terroir is obvious. With twenty vintages under his belt, Michel Chapoutier and his impressive winemaking staff go from strength to strength. These are among the world's greatest wines, especially the single vineyard wines, many of which will last 50 or more years. The 2006 reds from Chapoutier display good acidity and freshness. If they lack the powerful tannic structures of the 2005s, and perhaps some of that vintage's density, they are certainly not light wines. It is a vintage of finesse and concentration, but with considerable up-front charm. Again, 1991 is a useful historic reference. They are the perfect foil for those buying 2005s, which will require deferred gratification. The single-vineyard, or as Chapoutier calls them, the "Selections Parcellaires" wines, are all aged in small barrels, often 100% new oak, and bottled with neither fining nor filtration. Production is relatively small, with the tiniest cuvee, the Crozes-Hermitage Les Varonnières usually 200-325 cases, and the rest of the single-vineyard wines averaging around 480-625 cases. The largest is usually the St.-Joseph Les Granits or the Ermitage Le Pavillon, which can be as high as 1,000 or so cases in an abundant vintage. Again, the 2005s all exhibit the vintage's density, tannic structure, and long-term aging potential. At the same time, the 2006s at Chapoutier remind me of 1991, initially an underrated vintage of wines with ideal balance. If they lack the pure power and structure of 2005, they are well-served by their purity and equilibrium. There are four single-vineyard cuvees of Ermitage. Production is small, running from about 275-300 cases of Les Greffieux, 480-500 of Le Meal, 800-1,100 for Le Pavillon, and 200-600 for L'Ermite

Chapoutier Ermitage Le Pavillon 2006*Hermitage RP97*

1940*	1 bottle Ex-cellar	per bottle 650-750
1941*	1 bottle Ex-cellar	
1942*	1 bottle Ex-cellar	

There are nearly 1,200 cases of the 2006 Ermitage Le Pavillon. Since Michel Chapoutier released his first full vintage, 1989, of this single vineyard Hermitage, it has been one of the great wines of both France and the world. The 1989 and 1990 remain very young wines (I had them over the holiday break and was amazed by their still youthful personalities.). The inky/purple-hued 2006 exhibits a gorgeous perfume of crushed rocks, white flowers, creme de cassis, blackberries, graphite, and a subtle touch of oak. Exceptionally full-bodied, multilayered in concentration, extraordinarily pure, and long, this is a prodigious young Hermitage that should be at its finest between 2018-2050+. While Michel Chapoutier produces some of the world's greatest wines from single parcels of old vines spread throughout the northern and southern Rhone (see my ecstatic reviews of his 2007 and 2006 Chateauneuf du Papes in issue #179), he also has an impressive portfolio of value-priced wines that are often over-looked when this impressive producer is discussed. Following are some top-notch picks that all sell for exceptionally fair prices. Chapoutier has not achieved as great a success in Cornas as he has in the other northern Rhone appellations, although his Cornas wines get better with each vintage. There are four extraordinary single vineyard white wines, all of which are among the greatest dry white wines of the world. While all of them can be drunk young, they are meant for extended cellaring. Made from very small yields, they represent the essence of a varietal as well as a vineyard site. As the following notes demonstrate, 2006 was one of the greatest vintages for white wines at Chapoutier. The single vineyard selection parcellaire red wines range in production from 500 to nearly 1,000 cases. 2007 is a very good vintage for these selections, but 2006 has an edge. It is reminiscent of 1996 because of the wines' freshness and acid levels, but Chapoutier's 2006s are even more concentrated than his 1996s. Chapoutier's four 2006 cuvees of single vineyard Hermitage are exquisite. Most of the yields were between 10 and 20 hectoliters per hectare, and the wines are extravagantly rich. The 2006 and 2007 luxury cuvees of Chateauneuf du Pape Croix des Bois and Chateauneuf du Pape Barbe Rac were reviewed in issue #179. They are all astounding wines, especially in 2007

Chapoutier Ermitage l'Ermité 2006

Hermitage RP98+

1943* 1 bottle Ex-cellar
1944* 1 bottle Ex-cellar per bottle 550-650

There are nearly 1,000 cases of the 2006 Ermitage l'Ermité, another candidate for perfection in a few years. It boasts an inky/ruby/purple color as well as a stunning bouquet reminiscent of a grand cru Musigny from Burgundy. Spring flower, crushed rock, black raspberry, and black currant scents dominate the aromatics of this incredibly pure, full-bodied wine. With laser-like precision and enormous extract and concentration, it comes across as remarkably elegant and fresh with crystal clear focus. A beautiful tour de force from the decomposed granitic soils of this site on the top of the Hermitage mountain, this amazing wine requires a decade of cellaring, and should last for 35 years. While Michel Chapoutier produces some of the world's greatest wines from single parcels of old vines spread throughout the northern and southern Rhone (see my ecstatic reviews of his 2007 and 2006 Chateauneuf du Papes in issue #179), he also has an impressive portfolio of value-priced wines that are often over-looked when this impressive producer is discussed. Following are some top-notch picks that all sell for exceptionally fair prices. Chapoutier has not achieved as great a success in Cornas as he has in the other northern Rhone appellations, although his Cornas wines get better with each vintage. There are four extraordinary single vineyard white wines, all of which are among the greatest dry white wines of the world. While all of them can be drunk young, they are meant for extended cellaring. Made from very small yields, they represent the essence of a varietal as well as a vineyard site. As the following notes demonstrate, 2006 was one of the greatest vintages for white wines at Chapoutier. The single vineyard selection parcelaire red wines range in production from 500 to nearly 1,000 cases. 2007 is a very good vintage for these selections, but 2006 has an edge. It is reminiscent of 1996 because of the wines' freshness and acid levels, but Chapoutier's 2006s are even more concentrated than his 1996s. Chapoutier's four 2006 cuvees of single vineyard Hermitage are exquisite. Most of the yields were between 10 and 20 hectoliters per hectare, and the wines are extravagantly rich. The 2006 and 2007 luxury cuvees of Chateauneuf du Pape Croix des Bois and Chateauneuf du Pape Barbe Rac were reviewed in issue #179. They are all astounding wines, especially in 2007

Chapoutier Ermitage le Meal 2005

Hermitage RP96

1945* 1 bottle Ex-cellar
1946* 1 bottle Ex-cellar
1947* 1 bottle Ex-cellar per bottle 650-750

There are 481 cases of the black/purple 2005 Ermitage Le Meal. As always, classic blackberry, asphalt, charcoal, and beef blood notes jump from the glass of this intense wine. Full-bodied, with staggering concentration and a personality not terribly dissimilar from a first-growth Pauillac, but showing no evidence of oak whatsoever (and that is in spite of being aged in 100% new oak casks), this wine needs 10-12 years of bottle age, and should keep for 50-100 years. With twenty vintages under his belt, Michel Chapoutier and his impressive winemaking staff go from strength to strength. These are among the world's greatest wines, especially the single vineyard wines, many of which will last 50 or more years. The 2006 reds from Chapoutier display good acidity and freshness. If they lack the powerful tannic structures of the 2005s, and perhaps some of that vintage's density, they are certainly not light wines. It is a vintage of finesse and concentration, but with considerable up-front charm. Again, 1991 is a useful historic reference. They are the perfect foil for those buying 2005s, which will require deferred gratification. The single-vineyard, or as Chapoutier calls them, the "Selections Parcelaires" wines, are all aged in small barrels, often 100% new oak, and bottled with neither fining nor filtration. Production is relatively small, with the tiniest cuvee, the Crozes-Hermitage Les Varonnières usually 200-325 cases, and the rest of the single-vineyard wines averaging around 480-625 cases. The largest is usually the St.-Joseph Les Granits or the Ermitage Le Pavillon, which can be as high as 1,000 or so cases in an abundant vintage. Again, the 2005s all exhibit the vintage's density, tannic structure, and long-term aging potential. At the same time, the 2006s at Chapoutier remind me of 1991, initially an underrated vintage of wines with ideal balance. If they lack the pure power and structure of 2005, they are well-served by their purity and equilibrium. There are four single-vineyard cuvees of Ermitage. Production is small, running from about 275-300 cases of Les Greffieux, 480-500 of Le Meal, 800-1,100 for Le Pavillon, and 200-600 for L'Ermité

1950* 1 bottle Ex-cellar per bottle 250-350

Chapoutier Ermitage les Greffieux 2006

Hermitage RP96-100

1951* 1 bottle Ex-cellar
1952* 1 bottle Ex-cellar
1953* 1 bottle Ex-cellar per bottle 450-550

The best example of this vineyard Michel Chapoutier has yet made is the 2006 Ermitage Les Greffieux. A candidate for perfection, the wine boasts an extraordinary perfume of acacia flowers, black truffle, blueberry and blackberry liqueur in an opulent, fleshy, 1991-ish style. This wine has sweet tannin, fabulous concentration, and a finish that goes on for over a minute. This is a tour de force. Anticipated maturity: 2012-2040. With twenty vintages under his belt, Michel Chapoutier and his impressive winemaking staff go from strength to strength. These are among the world's greatest wines, especially the single vineyard wines, many of which will last 50 or more years. The 2006 reds from Chapoutier display good acidity and freshness. If they lack the powerful tannic structures of the 2005s, and perhaps some of that vintage's density, they are certainly not light wines. It is a vintage of finesse and concentration, but with considerable up-front charm. Again, 1991 is a useful historic reference. Dense purple to the rim with a nose of graphite, creosote, earth, olives, and black, black, black fruits, the primordial, full-bodied, monumental 2003 Cote Rotie La Landonne is amazing stuff. I suspect this is more akin to a dry vintage port than most Cote Roties ever tend to be, but the purity, the richness, the texture, the length are all out of this world. This wine does need some patience on the part of its purchasers, probably five years, more likely 8-10, but then one of the world's most compelling elixirs will be at its peak for another 20-30+ years.

Guigal La Mouline 2003		
<i>Cote Rotie RP100</i>		
2010	1 bottle	per bottle 800-1000

The 2003 Cote Rotie La Mouline is by far the most delicate and elegant wine (11% Viognier is co-fermented with 89% Syrah), but the enormous aromatics of spring flowers intermixed with creme de cassis, black raspberry, mocha, caramel, and cola, and enormous full-bodied opulence and striking velvety, seamless texture make for one of the most memorable wines anyone could every drink. This wine should age effortlessly for 25-30 or more years.

2011*	1 bottle from an unopened case	Ex-cellar
2012*	1 bottle from an unopened case	Ex-cellar
		per bottle 1050-1100

A pure aromatic smorgasbord is offered by the 2003 Cote Rotie La Turquie, which has an amazing aromatic profile of espresso coffee interwoven with scorched earth, tar, truffle, incense, blackberry, bacon fat, and flowers. Powerful, thick flavors ooze across the palate with a viscous texture, amazing purity, and just enough acidity and tannin to give uplift and precision to this remarkable tour de force in winemaking. Of the 2003s, this is also approachable, but ideally 2-5 years of cellaring would be suggested, and the wine will evolve for at least 30 more years.

One of the most compelling Ducru Beaucaillou's made in the last quarter century is the 2003 (which is also the first vintage to be packaged in an impressive heavy glass bottle with a special long cork). A blend of 80% Cabernet Sauvignon and 20% Merlot, it is a powerful, tannic, blockbuster effort revealing a liqueur of mineral-like component intermixed with creme de cassis, raspberry, and flower characteristics, and an atypically high 13.5% alcohol. Having firmed up considerably since bottling, it exhibits tremendous definition, weight, and concentration. It is a wine for patient connoisseurs. Anticipated maturity: 2010-2025+. A brilliant tour de force!

This is a denser version of the 1990 that stylistically reminds me of what the young 1959 probably tasted like. Still backward with a deep ruby/plum color revealing only a touch of lightening at the edge, the wine offers up an extraordinary nose of caramelized herbs, smoke, cedar, pen ink, black currants, and earth. The gorgeous aromatics are followed by a full-bodied, plump, rich, fleshy wine with low acidity. With 6-8 hours decanting in a closed decanter, it will offer beautiful drinking, but it needs another 5-8 years to reach full maturity. It is capable of lasting 50-60 years. This classic Lafite is not as fat and concentrated as the 1982 Latour, nor as complex or concentrated as the 1982 Mouton Rothschild, but it is a winner all the same. Release price: (\$350.00/case)

Interestingly, a bottle of 1990 Lafite Rothschild I pulled from my cellar for a video blog on my web site was still buttoned down, tight, and even with extended decanting was not showing as much as I would have hoped. However, a bottle tasted, of all places, in Seoul, Korea in February, was only a few points short of perfection. That amazing performance motivated me to pull another bottle out of my cellar and follow it over the course of two days. Sure enough, by the second day the wine was roaring from the glass. The 1990 Lafite has turned out far better than my early assessment. While it still possesses some firmness, and performs like a late adolescent in terms of its evolution, it boasts gorgeous aromas of cedar, tobacco leaf, cassis, and lead pencil shavings. The explosive aromas are followed by a fleshy, full-bodied wine that should hit its peak in 5-8 years, and last for 25-30 more. Release price:(\$1400.00/case)

Tasted three times since bottling, the 1996 Lafite-Rothschild is unquestionably this renowned estate's greatest wine. As I indicated last year, only 38% of the crop was deemed grand enough to be put into the final blend, which is atypically high in Cabernet Sauvignon (83% Cabernet Sauvignon, 7% Cabernet Franc, 7% Merlot, and 3% Petit Verdot). This massive wine may be the biggest, largest-scaled Lafite I have ever tasted. It will require many years to come around, so I suspect all of us past the age of fifty might want to give serious consideration as to whether we should be laying away multiple cases of this wine. It is also the first Lafite-Rothschild to be put into a new engraved bottle (designed to prevent fraudulent imitations). The wine exhibits a thick-looking, ruby/purple color, and a knock-out nose of lead pencil, minerals, flowers, and black currant scents. Extremely powerful and full-bodied, with remarkable complexity for such a young wine, this huge Lafite is oozing with extract and richness, yet has managed to preserve its quintessentially elegant personality. This wine is even richer than it was prior to bottling. It should unquestionably last for 40-50 years. Anticipated maturity: 2012-2050. The wine of the vintage?

The 1986 Leoville-Las Cases, which Delon continues to believe is his finest vintage in the eighties (even eclipsing the 1982), still exhibits a black/purple color with no signs of age. The nose offers up aromas of exceptionally ripe cassis fruit intertwined with scents of vanillin, minerals, and spices. The wine is full-bodied, exceptionally well-delineated, and phenomenally concentrated. Still unevolved and youthful, this is one of the most profound Leoville-Las-Cases, but for my palate, it remains a notch behind both the 1982 and 1996. Anticipated maturity: 2003-2030.

I have had this wine three times out of bottle, rating it 97 once and 98 twice. It is a colossal success and a potential legend in the making. Its saturated, dense inky/blue/purple color offers up notes of crushed rocks, acacia flowers, blueberries, black raspberries, and creme de cassis. A synthesis of power and elegance, this multi-layered wine has spectacular concentration, sweet but high tannin, and low acidity. A stunning effort that showcases this legendary terroir, it is a brilliant, brilliant success. The quintessential Leoville Poyferre? Anticipated maturity: 2009-2030.

Consistently scoring between 98-100, the superb 1982 Margaux may be slightly bigger, bolder, and more masculine than vintages produced over the last 15-20 years. Its dark plum/purple color is followed by notes of melted tar intermixed with sweet cassis and floral underpinnings. Very full-bodied and dense for a Chateau Margaux, with a slight rusticity to the tannins, it boasts blockbuster power, richness, and impressive aromatics. It appears set for another 30-40 years of life. Release price: (\$360.00/case)

Deep garnet-black colour. An incredible array of aromas on the nose: blackberry, black cherry, tobacco, espresso, leather, black olive and loam. The palate is absolutely seamless from first impression to finish, effortlessly building layers of complexity in the mouth and leading to a very long, earth and spice finish. I can't see how this could possibly be improvement so have no alternative but concede perfection. Drink now to 2045+. Tasted March 2009.

The 1975 Petrus reveals a youthful, rustic, brutally powerful style, with an opaque garnet/ruby/purple color, and an emerging nose of over-ripe black-cherries, mocha/chocolate, and truffles. Extremely full-bodied, ferociously tannic, but awesomely concentrated, the 1975 Petrus can be drunk, provided readers have a penchant for slightly uncivilized wines. This behemoth Petrus (the last made in this style) is at least a decade away from full maturity. It is potentially a 50 year wine, with exquisite concentration and intensity.

One of the monumental wines of the last century is the 1982 Pichon Lalande. Since bottling, it has flirted with perfection, and was a sprinter out of the gate, which gave rise to questions about how quickly it would begin its decline. However, at age 27, it retains all its glossy, rich, flamboyant cassis fruit, chocolate, berry jam-like notes, and plenty of earthy, foresty flavors. This is a full-bodied, extravagantly rich Pichon Lalande seemingly devoid of acidity and tannin, but the wine is incredibly well-balanced and pure. It is an amazing effort! Release price: (\$110.00/case)

Tasted 7 Times Since Bottling With Consistent Notes

The 1986 is the most tannic, as well as the largest-framed Pichon-Lalande in over three decades. Whether it will ultimately eclipse the 1982 is doubtful, but it will be longer-lived. Dark ruby/purple, with a tight yet profound bouquet of cedar, blackcurrants, spicy oak, and minerals, this full-bodied, deeply concentrated, exceptionally well-balanced wine is, atypically, too brawny and big to drink young. Anticipated maturity: 1994-2015.

Sitting next to my former colleague, Pierre Antoine Rovani, at one of the tastings, he commented that he didn't like the striking green note in the aromatics of this wine, which I didn't detect at all, and a subsequent bottle at another tasting did not reveal it either. I do think there is a hint of bay leaf and a meatiness to it. In short, I find this to be a spectacular Pichon Lalande. Dense purple in color, with loads of coffee, mocha, creme de cassis, and chocolate notes, this is a somewhat unusual blend of 50% Cabernet Sauvignon, 34% Merlot, and a whopping 10% Petit Verdot, with a little bit of Cabernet Franc. The Petit Verdot certainly gives the wine more of a tapenade, floral note, which I think can be interpreted by some as herbal. This is a rich, opulent, stunning Pichon Lalande that is beginning to drink beautifully, yet should continue to improve for at least another 10-15 years and last 30 or more years.

An extraordinary success for this estate (and also the finest wine they produced in the decade of the eighties), the 1986 remains extremely backward. It reveals an impressively saturated dark purple color, followed by a tight but promising nose of sweet blackberries, cassis, licorice, earth, and smoke. Full-bodied and excruciatingly tannic, with layers of concentration, this exceptionally endowed wine is still an infant in terms of its evolution. Anticipated maturity: 2002-2030. Last tasted 10/97

Current Release Cost www.erobertparker.com April 2010 \$US186-242
Bordeaux Book ed #3 1998
